To the
President of the International Young Physicists' Tournament

Annex: Brief description of the selection procedure

In Romania preliminary selection is made on line.

Any interested person finds all necessary information about the contest on the website iypt.ro

They must register online and submit solutions to three of the 17 proposed problems.

At the same time as sending the presentations in .pps format, the candidates for qualification also send a video film with a theme as a Reporter

The solutions are judged by a jury and, 10 to 15 runners are invited to Timisoara, where they will give live an exam.

The top five finishers are selected to represent Romania in the competition.

The finalists participate in Timisoara in a final training course of 5 days

The competition is registered at the Ministry of Education which funds moving and enrolling in the competition yet.

West University of Timisoara bear the cost of training period.

Although we widely advertised by the county school inspectorates, though the number of people who enroll remains very low.
