

International Young Physicists' Tournament

Report on Inspection visit IYPT 2022

Martin Plesch

Executive summary

The inspection visit was realized from 4th to 6th of June in Timisoara. Meetings with members of the LOC took place and premises were inspected. Taking into account all information gathered, it is more than clear that the IYPT tournament can be realized as planned during the second half of July. Open questions and minor issues identified shall be settled down without any significant problems.

Covid related measures

For now, there are no measures active and foreseen for July.

Travel

IYPT 2022 will take place at the West University of Timisoara <https://uvt.ro/> from 15th till 23rd of July, with the IOC meeting till 25th of July. Departure and arrival is supported to and from the Timisoara International Airport. Organizers will also secure travel from Bus and Train.

Visa invitation letters were issued to all participant that asked for them via the CC system. LOC cannot guarantee issuing of the visas.

Accommodation

Jurors (including team leader jurors) and organizers will be accommodated in hotel Perla in double rooms. EC members and visitors will be accommodated in the same hotel in single rooms.

Team leaders – non-jurors will be accommodated in G4 dormitories. In these dormitories' double rooms with en-suite facilities including a small kitchenette are available.

Team members will be accommodated in C12 dormitories. These have small double rooms with wash basin and showers and toilets on the floor. Boys/girls separation will be secured on the floor basis. The number of available toilets and showers is smaller than specified in the contract and the status of showers is not very good. The IYPT suggest to consider options for selecting a different, better equipped dormitory for students.

Both dormitories and the Perla hotel is about 10-15 minutes walk from the University, however in different directions, making the walk between the hotel and dormitories to about 20-25 minutes.

Fights

Fights will take place in large air-conditioned auditoria. One projector with screen is available, as well as one large TV for the clock.

An office will be located in a nearby seminar room. The refreshment shall be served on the corridors.

International Young Physicists' Tournament

Catering

Catering will be served in two or three restaurants across the university, about 5 minutes' walk. Guests of Perla hotel will receive breakfast there.

Opening and closing ceremony, finals

Opening and closing ceremony as well as finals will be organized in Aula Magna of the University with sufficient number of seating places for all participants.

Tours

Full day tour is planned for Hunedoara. City tour and a winery/concert for leaders/students are planned as half day tours.

Jury meeting and IOC meeting

The IOC meeting shall take place Buzias. It was not possible to inspect the place during the inspection visit.

Staff

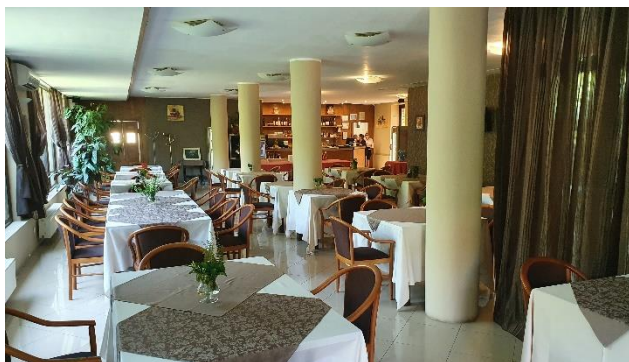

Two fight assistants per room, as well as two more assistants plus IT support shall be available. Each team will have a guide.
