Level 11 Singapore 138675

Dear **Ms Nur Zuhailah binte Hanafi**,

as President of the IYPT, it is my pleasure to report to you that the International Organizing Committee (IOC) of the IYPT has voted to accept your application for

### **Recognition as an IYPT Member Organization (IMO)**

at its meeting in Kutaisi, Georgia, 7/14/2021.

IMO status is granted to you until the end of IYPT 2026. You are kindly asked to apply for extension during the IYPT in this year.

As an IMO, it is your duty and prerogative to nominate the team that represents your country at IYPT. We kindly remind you that the Statutes of the IYPT require you to implement a selection procedure that is, in principle, open to all students/teams from your country. According to a decision of IYPT's executive committee, this selection procedure must be a non-profit event.

Furthermore, as an IMO, you have the right to nominate the IOC representative for your country. We acknowledge that you have nominated **Associate Professor Paul Lee Choon Keat** for this position, until further notice. Please report any future changes in your IOC representative to the President of IYPT in writing. Any future communication from our side will be addressed to your IOC representative, unless circumstances require otherwise.

I look forward to working with your organisation for many years to come to the benefit of IYPT in your country and internationally.

**Best wishes,**

**Assoc. Prof. RNDr. Martin Plesch, PhD.**

**President IYPT**

Institute of Physics, Slovak Academy of Sciences, Bratislava, Slovakia
