Brazilian National YPT is called “IYPT Brasil”.

The registration period begins in August, when the regulations and the translated problems are published. Usually, there are around 50 teams from private and public schools at this stage.

Teams are required to submit a technical report with the proposed solution for 5 problems until November.

A list of the best teams is published in January. These teams qualify for the “IYPT Brasil” itself.

The event happens in March/April and lasts 3 days:

- Friday: Registration, Opening Ceremony, Welcome Party
- Saturday: 1st Jury Meeting, Physics Fight #1, 2nd Jury Meeting, Physics Fight #2, Meeting with Team Leaders
- Sunday: 3rd Jury Meeting, Physics Fight #3, Announcement of teams and problems for the Final, Final Physics Fight, Closing Ceremony, Farewell Party

Ceremonies and Physics Fights are broadcasted live on the internet.

The Brazilian National team is then composed of 1 student from each one of the top 5 teams in IYPT Brasil.
